A bar chart comparing the number of people in the 1000-1499 age group for 2026 (dark blue) and 2025 (light blue) across 12 categories. The Y-axis represents the number of people, ranging from 0 to 3500 in increments of 500. The X-axis lists categories 1 through 12. For each category, there are two bars: a dark blue bar for 2026 and a light blue bar for 2025. The data shows that for categories 1 through 7, the 2026 population is higher than the 2025 population, while for categories 8 through 12, the 2025 population is higher. The 2026 population is zero for categories 8 through 12.
